

Brew Haven Café

Store Information

Owned and passionately managed by local entrepreneur Marco de Leon, Brew Haven Café is your cozy escape in the heart of Angeles City, Pampanga. Inspired by the warmth of Filipino hospitality and the global love for coffee, Brew Haven offers hand-crafted beverages, premium local beans, and a relaxing space for creatives, students, and professionals alike.

Brew Haven features an open brewing bar where customers can watch their coffee being made using various methods—from classic espresso machines to slow pour-over and cold brew techniques. The café also features a book nook and weekend acoustic nights. Craving something unique? We also accept custom brew orders using your preferred beans or method (pre-order required).
